That sounds like a very good plan. Thank you. Then, I suggest we do flag it for Deb which I can do via email. Since we've made our South Fork decision prior to David coming on board she can decide how and whether we coordinate with him. We'll just need a little lead time so if she says she wants him to look at it that he isn't jammed for time. Thanks.

Hi Lynne and Cynthia,

As an FYI, the Wainscott response letter is being crafted by Regions 1, 2, OAQPS, and OGC. Our response is a control document with Region 2, and our deadline to respond is 3/8.

Hi everyone,

As we discussed, sharing a link to a draft document for collaboration on the response to the Wainscott letter. Given the goal of a draft response by mid-February, I'm going to set a target of February 10 for a preliminary draft and will schedule a follow-up call to discuss progress / next steps.

Suilin – please keep us posted on the extension deadline.
